FROM GRETEL DUNSTAN, WIFE OF THE LEADER OF THE OPPOSITION,  
HON. DON DUNSTAN, Q.C. M.P.

---

Mrs. Dunstan said that it was important in the Labor Party for people in the rank and file of the Party to be informed of the issues and to talk. There is a great deal that could be done by the rank and file in organisation, in raising money, and in informing other people.

The Labor Party did not have large sums of money given to it as did the Liberal Party, so it was essential to raise money at the grass-roots level. In these activities and in putting forward bright ideas for Party policy and activities, women had a great part to play.

---

Mrs. Dorothy Dey, the President of the Millicent Sub-Branch of the Labor Party, spoke and related very great success in Millicent. There are nearly 500 members in their sub-branch with a great participation of women who formed half the sub-branch membership. She encouraged women in Tailem Bend to play their part in the Labor Party there.
